

Looking to the Future: *A Virtual Event*

Source Guide

This year's market season has looked a bit different, as many of us have put travel plans on hold with hopes of a trip to Market this Summer. Still, with the promise of a brighter future on the horizon, we are excited to look ahead, meet you where you are and bring the show to you!

Our three-day Virtual Event kicks off on January 18th and features: Vendor Showcases, Retailer Interviews, New Product Introductions for 2021 and Retail Education all peppered with giveaways for a bit of fun.

We have put together this source guide for you and encourage you to support these Vendors who have been incredibly supportive of this endeavor and made it possible!
