DAY ONE:

*Guest Speaker Spotlight:*

**Jonathan Jones** – *Connecting, Giving Back, and Strengthening the Heart of Hospital Gift Shops*

Jonathan Jones joined DEMDACO in 2006 and has since played a vital role in shaping the company's culture and mission. As a company dedicated to lifting the spirit through artist-driven gifts and home décor, DEMDACO believes in using business as a force for good.

Jonathan leads conversations around the company's Purpose: Pursuing Business the Way It Ought to Be, and its Mission: To Lift the Spirit, ensuring that DEMDACO's impact extends beyond products and into meaningful connections with retailers and consumers alike.

As a certified Gallup Clifton Strengths coach, Jonathan helps businesses and individuals identify their strengths and use them to achieve success. His passion for creating purpose-driven retail environments makes him an invaluable resource for hospital gift shops looking to enhance their impact on staff, patients, and visitors.

Jonathan and his wife, Maria, live in the Kansas City area and have four children and six grandchildren.

This session will focus on how hospital gift shops can create a welcoming and supportive space, select products that foster connection and care, and strengthen their role in enhancing the hospital experience for everyone who walks through their doors.
